## For Current Business Manager Visa Holders A 3-Year Grace Period

**TODAY** 

OCT 16, 2025 (New Rules Begin)

**Transitional Period** 

OCT 16, 2028 (Hard Deadline)

For renewal applications submitted **before October 16**, **2028**, your application will be assessed **even if you do not yet meet the new criteria**. The immigration officer will consider your current business situation and your prospects for meeting the new criteria in the future. You may be asked to submit an evaluation from a professional expert.

For renewal applications submitted on or after October 16, 2028, you must meet all the new criteria.

**An Important Caveat:** Even if you do not meet the new criteria after the deadline, if your business is in good condition, you are properly fulfilling tax obligations, and you have a clear plan to meet the new criteria by the next renewal, your case may be considered comprehensively.
