

# Your Path to Japan, Made Clear and Secure.

## Visa Support

We guide you through the process of obtaining a long-term work visa, utilizing Japan's Specified Skilled Worker (特定技能) program for the construction sector.

## Legal Partnership

All procedures are managed in close partnership with professional Administrative Scriveners (行政書士) to ensure a legally compliant and secure stay.

## Community Integration

We provide support for settling into life in Kyoto and your workplace, ensuring a smooth transition into the local community.
