

Alex International Immigration & Legal Office

Navigating Japanese Bureaucracy. Bridging Global Cultures.

Professional Immigration, Visa, and Corporate Consulting Services

Your Trusted Guide in a Complex System

For foreign nationals and global businesses, succeeding in Japan requires more than just translating documents. It requires decoding a complex bureaucratic ecosystem.

Absolute Legal Competence: Expert navigation of Japanese immigration and corporate law.

Cross-Cultural Fluency: Deep understanding of both Japanese administrative expectations and global business realities.

Profound Empathy: A client-first approach designed to eliminate friction and stress.

Comprehensive Support for Living and Leading in Japan

Visa & Immigration

Application, renewal, and status changes for all visa categories, managed by a certified specialist.

Specified Skilled Workers (SSW)

End-to-end support for hiring and integrating foreign talent as a certified support organization.

Corporate & SME Consulting

Business strategy, IT policy guidance, and localized marketing support leveraging Kyoto Industry 21 experience.

Workplace Mediation

Conflict resolution and cultural onboarding to ensure smooth integration of foreign youth and technical trainees into Japanese environments.

The Philosophy: True Communication (伝わる対話)

Linguistic Accuracy

English language mastery and technical precision from professional Interpreter Guide Training.

True Communication

Going beyond mere language to understand cultural backgrounds, untangle friction, and connect humans.

Cultural Empathy

A lifelong dedication to deeply listening to people's struggles, rooted in his upbringing in a Wakasa town Buddhist temple.

We do not just process paperwork. We align expectations, mediate differences, and ensure you are truly understood in Japan.
